

**2023-2024 ACADEMIC YEAR
PRESENTATION REQUIREMENT FORM**

**BIOMEDICAL SCIENCES PROGRAM
COLLEGE OF VETERINARY MEDICINE
AUBURN UNIVERSITY**

PRESENTATION REQUIREMENT: All BMS students must average at least two scholarly presentations per year during their graduate training program. This requirement can be satisfied in many ways, such as presentations in departmental seminars, final thesis defense, and formal oral presentations at local, regional and national scientific meetings. The mechanisms for satisfying this requirement are determined by the student's advisor and advisory committee. At the end of each academic year, a Presentation Requirement Form documenting the presentations for that year must be submitted to the Office of the Associate Dean for Research and Graduate Studies for inclusions in the student's file. This form will serve to verify compliance in the process of clearance for graduation.
